For those interested, a resume, names of two work related references and one spiritual reference can be sent to [tcsngen@timothychristianschool.ca](mailto:tcsngen@timothychristianschool.ca). All candidates who apply will be asked to complete a self-assessment of the Administrative Assistant Critical Skills form. **If you know of anyone who has strong administrative skills and related education or experience, please direct them our way.**

**Survey on the Community Interest in a Fee for Service Tuesday and Thursday program for JK and SK**

In the next 24 hours, our current TCS parents and all potential families who have come for a school tour this year **will receive a short survey** asking if there is interest in adding a Tuesday and Thursday program to allow for JK and SK parents to send their kindergarten children to TCS fulltime.

The program could look like this:

- Adding Tuesday and Thursday to the current JK and SK program
- A fee for service of \$3,000 per child for the 10 month commitment (no drop in days)
- TCS would likely hire an Early Childhood Educator (ECE certified) to run the Tuesday/Thursday program
- The program would reinforce skills taught in the formal Monday, Wednesday and Friday program
- A minimum of 8 students to run the program to ensure the cost is covered
- Require a deposit of \$100 to hold a spot for September

The board needs to know the interest of the current TCS community to see if there is a need for this program as several potential parents have asked for this option. Please email the office at

[tcsngen@timothychristianschool.ca](mailto:tcsngen@timothychristianschool.ca) by **Friday, May 4th** if you are interested in this program and are willing to put down a \$100 deposit to hold a spot for the fall. The board will inform the community by the middle of May if there is enough interest in such a program to run it this fall.

**Meat Fundraiser**

Grade 7 & 8 students are selling “North Country Meat” again this spring! Information needed for purchasing meat is on the TCS website under the “Resources” tab. Please contact a Grade 7 or 8 student if you wish to purchase meat. Orders are due NEXT Wednesday, May 2, and deliveries can be picked up at the school on Thursday, May 10.
