On Behalf of the TCS Staff...Have a Wonderful Holiday!

We want to wish all our families a wonderful and safe Christmas holiday and we look forward to seeing all of our students back at school on Monday, January 9th! Blessings as you reflect deeply on the incredible gift God gave us through His son Jesus during this Christmas season.

Blessings and Good-Bye to the Lane Family

We want to wish the Lane family blessings as they move to Dallas over the Christmas break. Marissa is in grade 3 and Elizabeth is in grade 1 at TCS. Blessings to Michael and Donna as you move over the break and settle in the Dallas area.

Christmas Chapel This Friday, December 23 at 9:00am

We welcome all who can make it to our TCS Christmas chapel which will be at 9:00 this Friday in the TCS gym. This is also when the grades 6 - 8 bands will be playing what they were suppose to play at the Christmas concert last week which was cancelled due to the snow storm.

Note: To make it easier to clean the floors for the church/Harvest Bible Chapel, which will already be set up in the gym for their Christmas Eve service Friday evening, please note **there will be designated areas for parents to sit in the gym.** Thanks parents for your help with this as you join us on Friday morning for the chapel.

All School Skate—Friday, Dec. 23 from 12:30-2pm

Just a reminder to all TCS parents of our annual all school family skate on December 23 at Holly Community Centre. **Students in JK—Grade 4 require hockey or bike helmets in order to participate. This is mandatory for JK—grade 4.** As well, all skates **must have skate guards on or come in a sports bag to protect from blades (not a plastic bag).** For safety reasons we have booked 2 rinks: One rink for students in JK-grade 3, and one rink for grades 4-8.

Here is the schedule for the last day, Dec. 23rd:
9:00—Christmas Chapel (All are welcome)
11:50—Early lunch for staff and students
12:15—Grades 5-8 bus leaves for skating
12:45—JK-Grade 4 bus leaves for skating
12:30-2:00—All school skate (**Hockey or bike helmets mandatory for all JK-4 students**)
2:00—Early dismissal from Holly Community Centre for home. Either parents pick up and check in with Mrs. Goodnough, or go home on the buses.

WE WILL BE DISMISSING BUSES AT 2:00PM FROM THE HOLLY ARENA. There are never very many students on the bus, so the routes go extra quick. PARENTS, PLEASE PLAN TO PICK UP CHILDREN 1.5-2 HOURS EARLY FROM THEIR BUS STOPS IF YOU AREN'T PICKING THEM UP AT THE ARENA.

Parents and teachers attending the skating event, please help us with reminding students to be safe re no sitting on the floor to put skates on, being careful with where we walk with our skates and helping those who are just learning to skate to be really careful re falls etc. We want a fun time and a safe time on the rinks on Friday afternoon.

THANK YOU!!

Thank you SO much to Shena Walker, Monica Tankard and Janis Van Dyke for braving the cold weather last Wednesday so the teachers could enjoy a Swiss Chalet lunch from Harvest Bible Chapel! It really was a treat to have all the staff together for lunch with no "duty".

Divining Deeper by Faith

"Now **faith** is **confidence** in what we hope for and **assurance** about what we do not see." ~ Hebrews 11:1

SIGN OF THE BEAVER DVD

Grade 5 is looking to borrow "The Sign of the Beaver" movie. They would like to watch it this week if possible. If you have a copy please contact Mrs. Nibourg.

Old iPhones

We are looking for old generation iPhones that can be used as iPods for in class learning and research. This is an on going collection in hopes we can facilitate a whole class learning environment. If you have the charger for them too that is very helpful. Any passwords also need to be disengaged so that we can access and refresh the programs on the phone. Please bring them to the office and leave with Robin. Thanks so much.

Open Dates for Rentals at TCS September 2017:

As you may be aware, Harvest Bible Chapel is in their last year with us and they plan to move into their new building by August 31, 2017. **This means there will be a rental opportunity for a new church at TCS starting September of 2017.**

Parent Survey Results from Spring TCS Parent Survey and Parent Exit Surveys

November 2016

Below you will find a summary of the results from both the May TCS parent survey and results from our parent exit surveys that TCS does in late September and October.

Thank you parents for your feedback as your input is appreciated. All the comments are read. The direct comments are reviewed by a committee of the board and the administration. The themes are then compiled and we look for consistent comments that are mentioned several times for the final summary. Then the board and the staff review a summary of the results and learn from the themes that come out.

We appreciate your feedback and learn every year from the main theme areas how to improve at TCS. Our heart is to continue to improve and get closer to the school God longs for us to be.

TCS Vision statement... "Timothy Christian School delivers a dynamic vibrant learning environment offering leading edge programs that inspire children to be alive in Christ.

Survey Question - How did we, at TCS, do this past year in reaching our vision?

Parent Feedback:

- 19 out of the 23 who commented on this section rated us either excellent or very good (10 stating excellent).

Survey questions: Where have you seen evidence of us meeting our vision statement?

Parent Feedback:

- Parents stated school chapels, positive student environment and TCS community. These examples were mentioned multiple times in the survey as evidence of reaching our vision.
- Other examples included service projects, working hard on Christian worldview and challenging students in their faith as other examples of evidence.

Survey question: What are the top two areas that TCS is shining bright in?

Parent Feedback:

- Clear and good communication between staff and parents and the improved communication between board and membership this year.
- Positive student atmosphere/positive parent community connections at TCS (mentioned multiple times by parents).
- The teachers at TCS (mentioned multiple times by parents) and especially how TCS staff pursue Christ-centered learning and lead by example.
- Projects teachers are doing with students, the discussions on growth mindset and the move in this direction of deeper learning.

Survey question: What are two areas that TCS could work on to improve the school?

Parent Feedback:

- A continued focus on the French program and to continue the journey to improve it and keep it fun and hands on.
- A request for no student tests on Monday (this change to no Monday tests across the grades was made by TCS staff at the start of this school year).
- Some feedback that student homework could be a bit much at times.
- A focus on smaller classes when possible.
- Continued momentum to improve technology at TCS (appreciation for what has been done thus far and a focus to continue).

Survey question: Are there any areas that the board/administration should have on their radar?

Parent Feedback:

- Email response time could improve in certain areas (student issues are dealt with promptly but in other areas there was delay at times).
- A parent suggestion box could be added at the school for ideas and input on an ongoing basis.
- Keep security in mind regarding the monitoring of visitors as they enter the school (Consideration of a front door buzz-in process that some other schools have adopted. Note: This is being considered for future)
