Town Hall Discussion re FAST Program...Thank You For Your Feedback

Two weeks ago the board of TCS hosted a town hall evening where there was a presentation of the FAST program (toward working on a TCS bursary). The board appreciated the feedback from parents both at that town hall meeting and in the responses since the town hall meeting. We are listening and doing our very best keeping the big picture in mind and working out the details getting there while hearing feedback from our membership.

Based on this feedback the board has received thus far, we have adjusted the approach to FAST and plan to present this Thursday evening at our membership meeting. Please join us this Thursday evening at 7:30 to hear the follow up on the FAST process and next steps as the board has processed the feedback and will be presenting an adjusted approach. Charting a new path to ensure TCS remains financially stable long term is not always easy and we appreciate your support in this journey.

TCS Membership Meeting THIS Thursday at 7:30pm

Please join us this Thursday at our spring membership meeting as we will have a variety of presentations including the principal's report, the High Tech High visit by several of our staff members, a marketing update, the strategic plan highlights, budget and tuition for next year, the thrift store and the constitution updates. Also, as part of this meeting the board will give an update from the discussions at the town hall from a few weeks back talking about the FAST program and steps moving forward in this journey.

Kindergarten Position Filled

The HR committee interviewed candidates for the one year SK position (stepping in for Mrs. Vanderboon for the year as she teaches French) and made their recommendation to the TCS Board of directors. We had many candidates apply and interviewed our top three candidates we felt would be the best fit and bring the most to the position and the TCS staff team. The HR committee made the recommendation to the board to hire **Brooke Davis** and the board of directors fully approved this recommendation. Miss Davis accepted the position last week.

We have been blessed with Miss Davis this past year and are thankful for the good year she had teaching JK. We appreciate her strong faith, her heart for deep learning, her strong connection with students and how she is a community builder on staff. She brings a lot to our school and has earned the right to step into this one year position through this interview process. We look forward to her stepping into a kindergarten role next year at TCS.

Financial Administrator Position at TCS

We are thankful for the great work that has been done by our present financial administrator, Cynthia Marchand. After serving TCS so well for the past six years, Cynthia has the opportunity to go fulltime and recently informed us that she has accepted a fulltime position at another organization that she hopes to start at this summer.

We are very thankful for the great work she has done at TCS and wish her God's blessings as she moves on.

TCS is presently advertising for a part time financial administrator beginning in July 2016.

This position includes all aspects of finances at TCS including working with the finance committee, budgeting, processing payments and payroll at TCS and managing the tuition process.

Resumes can be given to Rod Berg (tcsgen@timothychristianschool.ca) until June 11 with selected candidates interviewed the week of June 13.

One Way—His Way ~ Proverbs 3:5-6

“Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to Him, and He will make your paths straight.”

TCS Track and Field Day!

A huge thank you to all the parents who cheered and volunteered on Friday to help make the TCS track and field day a success. A big thank you to the Unity students who helped teachers at the events as well. It was a gorgeous day and I appreciated the great sportsmanship that was demonstrated amongst the students!
