Report Cards that went Home Last Friday...

What are the very best ways to help students own their learning after report cards go out?

1. Take the time, one on one, to talk over the comments the teacher wrote about your child. A lot of time went into assessing each student and the comments written on each report card will help your child take their learning to the next level. To have a parent reinforce and process those comments on the home front is a powerful way to enhance learning.
2. Ask questions and encourage! If your child struggled in an area or subject, ask key questions about what they think happened and how they can improve. Listen in the breaks. The process of asking questions and having your child process their thoughts is very powerful. Our thoughts have a way of becoming clear as they pass through the lips.
3. Confirm the good and bless the positive areas! We need to celebrate the good improvements big time with students. Whatever that means for your family or your child, take the time to bless the positive steps. We all need a pat on the back now and then as adults. Students especially need that confirmation.
4. Don't shy away from the honest talks. Every child is on a journey. Some seasons are very hard to coach them through. Some seasons are sweet spots that are just downright fun as we observe them shine bright. It is an art to be able to nudge someone in the right direction and have them own that direction. There is nothing wrong with saying to your child..."you are valued and highly prized in my world, and I need you to keep this on your radar next term to get you to a good place."

Research tells us over and over again the more involved a parent is in their child's learning, the more students take ownership of their learning. Too much has gone into the comments and assessment to miss a wonderful learning opportunity with your child this week.

One Way—His Way ~ Proverbs 3:5-6

"Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to Him, and He will make your paths straight."

FROM THE TCS BOARD:

Thank you to all those who attended the Fall Society Meeting last Thursday. It is always good to get together as a school family to hear encouraging student and staff updates, exciting plans for the future and just to stand together in support of the school and God's Hand at work here. We plan to have the Minutes from the meeting available to you in the near future.

A BIG thank you to all those who worked together to make the Bazaar a huge success!! It is so awesome to see the positive affects of all the hard work and preparation. To the students & staff who baked, those helping in the kitchen, auction workers, plant sellers, children's area workers.... Great, great job everyone!

Recess Reminders: Snow Pants and Hockey Sticks

Just a reminder that if students want to play in the snow it is important to have snow pants or they end up wet all afternoon.

For safety reasons, we limit use of large road hockey sticks to the Senior side of the playground. This means grades 5-8 may use large, or full size road hockey sticks. Mini sticks are to be used on the Primary side (JK—grade 4) for their games.

Grade 3 Legal Filing Cabinet Needed

The grade 3 teachers are looking for a 2-3 drawer LEGAL filing cabinet. If you have one to donate, please contact Mrs. Berg at cberg@timothychristianschool.ca. Thank you!

PITCH OPPORTUNITIES

Painting over Christmas Holidays—Our facilities team is planning to touch up paint over the Christmas holidays and we need YOUR HELP! This is a great way to keep facilities costs down—a simple job that volunteers can do instead of hiring a company! Please let Robin know when you can help and what day works for you so we can see which days work the best! Thank you!

TCS SPECIAL EVENT

We are planning a special new and exciting fundraiser event for the Spring. This fundraiser is going to be active, fun, adventurous and more family friendly than the more official Galas of the past. To make this happen, we need your help and participation! Please email Jessica VanLoenen at ajvanloenen@yahoo.ca or call [705-719-0011](tel:705-719-0011) if you'd be able to be on the team! We would like to have an initial planning meeting before the Christmas Break. Please consider joining us!

You may report your hours by filling out the forms in the school office, or by sending an email to timothypitch@gmail.com. THANK YOU!!

Coffee and Prayer Time—Monday Mornings

Please feel free to join us, any week that you can, for a coffee/tea and a time of prayer on Monday mornings from 9-10am in the staff room. Babies and pre-schoolers welcome! We will be praying for specific classes over the next few weeks. We would love to have parents from the featured classes come and pray with us each week!
Mon. Nov. 30—Gr. 7&8

If you are unable to join us but have a prayer request, please email Isabel.back@gmail.com and we will add your request to our prayer list.

Marketing: Church Ambassador Program

This program has begun and we have had wonderful people participating! This program allows us to have open communication with our local churches which have families enrolled at TCS. When promotion materials need to be circulated, the liaisons bridge the gap between the school and church. They also represent TCS to those who may be interested in attending TCS. There are many questions about Christian Education & we are trying to equip our liaisons with the tools to provide the proper information.
