From the Principal...

Grade Eight Graduation this Friday 5:45pm (Rain Date Monday, June 21st)

This is the week! Pending the weather this Friday (which presently looks like a lot of rain but...may clear up), we hope to have our outdoor grade eight graduation celebration. This will be drive in/drive by style similar to last year, but it is very weather dependent. Please note the rain date is set for Monday, June 21 (which presently looks like a very nice evening). We will decide this Thursday morning if we will continue with the Friday evening graduation (if it clears up) or if we will be changing to the rain date on Monday, June 21st.

Grade eight parents look for a final graduation memo with more details by the middle of this week.

TCS Community Drive-By Grade eight Graduation Celebration (either this Friday at 8:30pm or rain date Monday, 21 at 8:30pm)

Friends, family, teachers and supporters of our grade eight graduates, please plan on a community drive-by either this Friday at 8:00pm at TCS (Plan A) or on the rain date which will be Monday, June 21 at 8:00pm (Plan B). This will be an extremely fun celebration of cars driving around TCS and supporting our grade eight graduates. Cars will line up by the gate by the school shed and enter in through the gates, around the school and exit by the small gate by the grade 8 doors/classroom on the gravel.
