From the Principal ...

Welcome to our newest TCS family: Charles & Christina Brincat with Xavier in grade 6!

The incredible Depth of Christian Education

Ever been to the top of the CN Tower in Toronto? If you have, then you most likely have dared to step on that glass square and look down on the city of Toronto. It takes your breath away and you can't help but freeze for a few minutes...stunned and 'in awe' of how very far it is to the ground and the incredible depth! Christian Education has a similar effect on students. We long for and work hard to help our students see and grasp the depth of Christian perspective in all subject areas. Actually...in all of life! We help our students connect everything to their faith. Our best moments are when our students *'stop, reflect and wonder'* about our Father's incredible creation. We help them stand in awe of the Almighty! To live obediently before the face of God! We connect all things to a strong Christian worldview. That may be during Science class as they see and start to understand the workings of a cell. In Kindergarten as they understand the migration patterns of a butterfly. In grade one and two when the world of reading and writing opens up wonderful parts of the Kingdom for students! In Math class as their teacher walks them through a word problem and they discover the answer. And because of the laws of math...it works every time! During Language Arts class as they form and articulate their speeches. Or it may be after recess when we help two boys work through a tough soccer game and they learn the challenging lessons of living the 'Fruits of the Spirit' after losing.

How powerful is Christian Education? My friends, spread the word...it is so deep, **it takes your breath away!**

Walking through possible changes with COVID restrictions

If you have been following the news lately, you know that we are starting to hear lots of hints from the province about restrictions being lifted over the next few weeks. The board of TCS has been very clear that we will lift restrictions as the province/public health informs us. We are tracking the public health memos carefully and anticipate new changes coming. What if you are not comfortable with mask restrictions being lifted? We totally understand and are very sensitive to the different viewpoints on the restrictions in our TCS community. If public health/the province does lift certain areas, then TCS will certainly follow (once we have been officially informed). We also understand that a good portion of our community may wish to

continue with masks to stay safe. There would certainly be the 'your choice/wear them if you wish' option when/if the mask restrictions are lifted in the province and the schools. We know our community will show grace and understanding to each other in this journey. For now, we will wait and see and follow the memos as more information comes to the school.

Registration for September 2022 - More new families each week!

We are averaging several new family tours a week for September 2022 and encourage you to pass on the message to any friends or family interested in joining TCS this fall that - NOW is the time for registration to avoid class wait lists.

Celebrating Black History month at TCS in February - what did we learn?

As we wrap up the month of February, classes are concluding their study of Black History Month. As a school, we focused on the personal narrative of significant black Canadians and Americans who had an impact on their community and nation. Take time this week to inquire about what your student(s) have learned over the past month and give them a chance to possibly teach you something new!

Update on TCS Speeches over the next eight weeks

TCS Speech presentations are well underway this week! At the end of the week, grades 6-8 competitors will be chosen to compete in TCS Speechfest! Speechfest competitors will have the weekend to fine tune their speech and present it for a second time early next week. Congratulations to ALL our speakers who have worked so hard to write, memorize and recite their speeches over the last number of weeks!

2021-2022 Yearbook Sponsors

YEARBOOK

As we put together our 2021-2022 Yearbook, we are looking for page sponsors! The cost for purchasing a Yearbook will decrease based on the number of advertisements / sponsors received. The ad will run along the bottom edge of a Yearbook page stating, "This page is sponsored by the _____ family or your business name." If you'd like to be a part of this opportunity, please email agronfors@timothychristianschool.ca indicating who is sponsoring the page and make your cheque payable to Timothy Christian School indicating it is a Yearbook page sponsor. The price for a page sponsor is \$20 (per page). Deadline is Friday March 25. The more sponsorships received means a lower cost per book! Thanks for your support! We can't wait to show you our 2021-2022 Yearbook!

Condolences to Steve and Joy Wilson

We mourn the loss this past week of TCS grandparent Keith Wood. Keith was not only the father of Joy and grandfather of Ariana at TCS, but also a former chairperson of the TCS board many years ago. Keith had a deep love for Christian Education and served the TCS community faithfully in this leadership role many years ago. Our thoughts and prayers are with the Wilson family this week. It is on the shoulders of giants in the faith, that we continue to build our TCS community today.
