First term report Cards go home with students this Wednesday, February 7, 2018

Just a reminder that the first term report cards go home with students to parents this Wednesday at 3:25. Please take some time to review them and talk with your child about things that are going well (confirm the good) and encourage them in the areas that need support (set goals for next term). A significant amount of work has gone into these report cards and they can be a wonderful teaching tool when used well by both parents and teachers. Parent/teacher interviews are set for February 15 from 4pm—6:30pm for parents who have any questions about the report cards.

Scheduling Parent / Teacher Interviews

Thursday, February 15 from 4pm—6:30pm

Similar to Parent / Teacher interviews this past fall, parents can sign up for interview times online again this term. You will use the same login information (email and password) as you did in November. You can access the February 15 Interview schedule at <https://tcs.schoolappointments.com>

as of **Wednesday, February 7**. Please contact Bethany in the office if you are having difficulty logging in, or do not remember your username and/or password.

Thank you to the 20+ TCS families who have already re-registered for September 2018!

A huge **"Thank You"** to the 20 or so families who have already locked in for September 2018 at TCS. We appreciate it as this very much helps us plan for next year. We are hoping to hear from 100% of our existing families by **next Thursday, February 15**.

Why is this important?

Presently our *Finance committee is in full budget planning mode* for next year and the critical piece of that puzzle is knowing how many families we have confirmed for September. We can't count a family in the projected numbers until the re-registration is in to the office and the deposit is included in that process. We very much look forward to all our existing families joining us again in September of 2018. If you have any questions, feel free to meet with Mr. Berg as he is happy to help you in that journey. A reminder to returning families and an FYI to new families, that part of this re-registration process includes a \$300 deposit to come with the re-registration form to hold a place for your child for September.

Open house at TCS this Friday from 9:00am - 12:00pm

Do you know anyone who might be interested in enrolling their children at TCS in September 2018? Our February open house date is this Friday, February 9 from 9:00am - 12:00pm. If you know of a family who is interested in TCS but can't make the open house dates, email the office and we can set a tour with the principal any time.

Welcome to the Blackburn family!

A special welcome to Scott and Tracy Blackburn with their son Jaxon starting grade 4 today in Mrs. Regeling's class. Scott and Tracy were part of the TCS family many years ago. They are presently on furlough from mission work in Peru and Emmanuel Baptist is one of their supporting churches. We are blessed to have Jaxon with us for February and March while they are back home in Canada. Please welcome Scott and Tracy when you see them at the school!

Are there ever waitlists at TCS?

Yes - there are waitlists at times. We try very hard to accommodate all families, but there are times when a class size is growing and we may have to start a waitlist until there are enough students for another class. That is why it is critical for both existing families and new families to register for the next school year as early on in the year as possible. February is the best window for existing families to confirm and February - April is the best window for new families to lock in and confirm via an interview process. This process allows the board to confirm a budget in April. We will, of course do our best to make it work for families outside of those windows of time, but there is an increasing risk of waitlists as it gets further in the year.
