Keeping Germs Away!!

It has recently come to our attention that several primary students have been diagnosed with Fifth Disease. We wanted to make you aware of this because it is a viral illness that causes a distinctive red rash on the face that can then spread down to the trunk, arms, and legs. It typically starts with a low fever, headache and cold-like symptoms that pass and then the rash appears. It is contagious, but mostly **before** the rash appears. Children usually don't spread the infection once they have the rash. Please encourage your children to be very diligent about hand washing to help avoid spreading germs (as always). We are encouraging you to keep your eye on these symptoms and contact your doctor if you have any concerns. Thank you!

Keeping Mrs. Goodnough in Prayer

Mrs. Goodnough will have follow-up surgery from a previous health issue tomorrow (Tuesday, June 11th). Mrs. Nelson, a long term supply teacher at TCS will step into the grade 4/5 class for the rest of the school year. We hope to see Mrs. Goodnough on the last day of school and she will be at school for the teacher wrap-up days as well. We wish her much strength with her surgery and will keep her in our prayers.

Completing & Reporting Your Family PITCH Hours!

Currently we have still a number of families that have partially completed their required 25 volunteer hours or NOT REPORTED any completed volunteer PITCH hours for this school year. Some of this may be that you have just forgotten to report your hours to us. We encourage you to finish strong and ***find opportunities to get your hours completed!*** If you have completed your hours but not reported them, please record and send your hours in to timothypitch@gmail.com. This will help our committee to close out the 2018/19 school year in a positive manner. It is a lot of work calling families at end of year, so please do fulfill your commitment to the school. Upcoming events to get hours include: Grass Cutting around the school; ask your classroom teacher if they need help with anything to close out the year. REMINDER: You may report 2.5 hours per family (not per person) for attending the Spring Society Meeting!
